**LETTER OF PRESIDENT OF ZVEZA ENWO, APRIL 2020**

*Dear friends of Zveza ENWO and of nordic walking!*

*The world is in a grip of Corona virus COVID 19 and people are fighting with it with means of law and rules, that are valid in individual countries.*

*First two competitions for 4th ENWO Cup NW are cancelled - on 16th and 17th May in Radenci (SLO) and Roding (D).*

*At the moment we do not know yet what will happen with the competitions for ENWO European Cup NW, dated on 21st June 2020 in Wejherowo (Poland). Probably they will be postponed, as PFNW is still deciding on a new date and location.*

*My dear we are at a time, when we have to first take care of ourselves, our family and everybody around us. We can do that no matter where we are and so that we follow rules and are responsible with respect to ourselves and others.*

*Each of us, that does nordic walking and healthy nutrition has a better resilience, which is great, but not enough to win, if we get infected. Please take care of yourselves.*

*We are in a time of the biggest Christian Holiday – Easter. I wish to all the believers happy Easter, let peace into your souls and let the good will beat evil. Stay healthy and God with you and all, that you love.*

*Be alert of our information with knowing, that the year of 2020 is special and we will remember it always.*

*Greetings to all of you, your families and friends, wherever they are!*  
*With respect,*

*In the name of Board of Zveza ENWO*

*Janez Lipec, president of Zveza ENWO*
